Monitoring, Evaluation, & Learning

Adroit delivers credible, timely MEL in high-risk settings through global expertise, technology, and local access, using conflict-sensitive, adaptive systems and innovative tools, while translating data into actionable insights that strengthen accountability, improve quality, and optimize results.

Our Monitoring, Evaluation, & Learning Services:

| **Third-Party Monitoring & Verification**

With a decade of experience in high-risk contexts, Adroit delivers technology-driven MEL to monitor interventions, improve efficiency, reduce costs, and verify outputs on the ground.

| **Baseline, Midline, and Endline Surveys**

Baseline, midline, and endline surveys strengthen program quality and impact, support accountability and learning, and provide evidence to assess effectiveness and inform resource allocation.

| **Performance Evaluation**

Adroit's evaluators use rigorous methods, including before-and-after comparisons, to answer key questions and drive better decisions, accountability, and support for vulnerable communities.

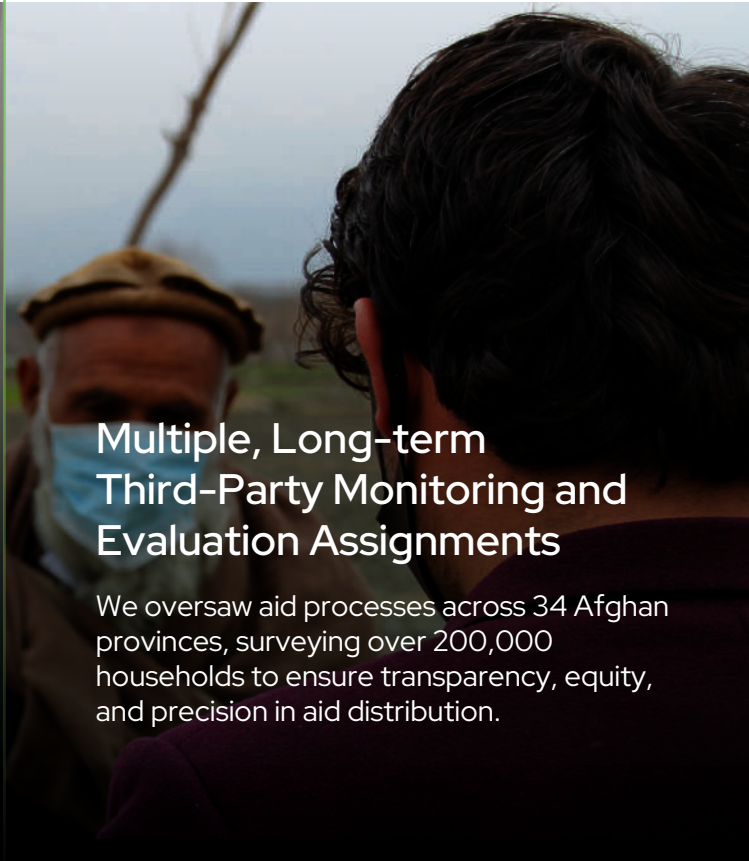

| **Impact Evaluation**

Adroit combines robust methodologies, advanced technologies, and technical expertise to generate evidence for decision-making, guiding resource allocation in high-risk, fragile contexts.
